

JAZMIN RUIZ

Production, Warehouse, and General Labour Worker

Tlaquepaque, Mexico | jazminalejandraruizz@gmail.com | +52 333 408 2216
linkedin.com/in/jazminalejandraruiz

SUMMARY

Reliable and dedicated worker with 5+ years of experience in production, warehouse, packaging, and general labour across the food, pharmaceutical, automotive, electronics, and footwear industries. Strong work ethic, positive attitude, adaptability, attention to detail, and a results-oriented mindset. Skilled in fast-paced production environments, equipment handling, safety compliance, and physically demanding tasks. Fully prepared to relocate under LMIA sponsorship.

EXPERIENCE

Current Status

Jan 2023 - Present

Currently focused on personal development and preparing for relocation to Canada. Actively building soft skills such as adaptability, reliability, and communication.

Production Worker

Aug 2022 - Jan 2023

JYPESA Hospitality, Guadalajara, Mexico

- Operated automated soap-packaging lines, consistently handling over 4,000 units per day.
- Inspected product weight, seal integrity, and labelling to meet internal and external quality standards.
- Reduced machine downtime through preventive cleaning and basic mechanical adjustments.
- Maintained a clean and organized workstation, contributing to a safer and more efficient production line.

Warehouse Worker

Jul 2021 - Aug 2022

Nadro S.A.P.I. de C.V., Guadalajara, Mexico

- Picked, scanned, and packed pharmaceutical products with high accuracy for hospital deliveries.
- Conducted daily inventory counts of over 6,000 units to maintain precise stock levels.
- Upheld GMP guidelines and internal safety protocols while keeping work areas clean and organized.

Production Worker

Feb 2020 - Jul 2021

Liferpal M.D., S.A. de C.V., Guadalajara, Mexico

- Assembled over 8,000 blister packs and medical components per week in a GMP-compliant cleanroom.
- Executed rapid, contamination-free line changeovers by adhering strictly to SOPs.
- Trained and mentored 8 new workers on equipment operation and safety practices, contributing to zero incidents.

Production and General Labourer

Apr 2016 - Feb 2020

Multiple Companies (Short-Term Contracts), Guadalajara, Mexico

Qualita Alimentos (Cheese and cold cuts) | Laboratorios Solfran (Pharmaceutical products) | Procesadora CALE (Snacks and candies) | Sunningdale Technologies (Automotive plastic parts) | Kelly Services for IBM (Hardware components) | Hershey Mexico (Chocolate production) | Vinitek (Rubber and plastic footwear).

- Adapted quickly to diverse manufacturing sectors, including food, pharma, automotive, electronics, and footwear.
- Supported production lines across manual, semi-automatic, and fully automated operations.
- Handled moulding, sealing, labelling, and inspection equipment while following GMP-aligned hygiene and quality standards.
- Verified label accuracy and product quality during high-volume shift rotations.
